

FCD-ETX Summer "Center of Excellence"

FC Dallas East Texas is proud to open another "Center of Excellence" program in a city near you! This is an individual player development program designed to promote learning and development of our juniors age players. Using a professional coaching staff and an FC Dallas youth curriculum, this is the best environment for our young players to become the best they can be!

This is a supplemental training program offered by FCD ETX for any player, regardless of ability of affiliation.

This "Center of Excellence" program is now open to ages 2013 all the way to 2003!
