By signing this Acknowledgment and Assumption of Risk, I, the undersigned:

1. acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and/or myself may be exposed to or infected by COVID-19 by participating in any activity outside of our home, including activities organized by FCD-ETX at any facility authorized by FCD-ETX to host such activities (the "Activities"), and that such exposure or infection may result in personal injury, illness, permanent disability, and/or death;

2. understand that the risk of becoming exposed to or infected by COVID-19 may be increased by participation in the Activities, and that such exposure or infection may result from the actions, omissions, or negligence of myself and others, including, but not limited to, FCD-ETX employees, coaches, volunteers, and other participants and/or their families;

3. acknowledge that I received and read the materials provided by FCD-ETX setting forth the protocols that must be adhered to by all participants and their parents/guardians/chaperones in connection with the Activities until further notice;

4. understand that these protocols are necessary for the health and safety of all participants in the Activities;

5. take full responsibility for both mine and my children's adherence to all such protocols including self-screening prior to each and every participation in the Activities;

6. understand that my participation in the Activities is contingent on my acceptance of all the terms herein and that I must provide a copy of the confirmation of such acceptance to my child's coach or team manager before they will be allowed to participate;

7. understand that these protocols may change at any time; and

8. acknowledge that participation in the Activities is entirely optional and that FCD-ETX athletes are free to continue with their individual training regimes at home or to return to such home-based training at any time. *
